The following Core Values represent the fundamental qualities that AZUCA and its members stand for.

- Resource-** Strive to communicate between all membership types to better the underground utility industry.
- Safety-** Uphold high construction standards, and comply with regulations and industry best practices.
- Integrity-** Conduct ethical business practices with honesty and integrity.
- Advocacy-** Participate with industry committees to represent the best interests of the utility construction community.
- Loyalty/Support of Members-** Support our members through participation.

I, _____, submit this membership application, and agree to uphold the Core Values of AZUCA in all my business dealings in the utility construction industry to be the best of my ability.

You will receive an email notification of your membership status after the board has reviewed your application. Thank you for your interest in joining our association.
